Adult Ed. Committee presents Tim Robinson who will speak on "Myths, Legends, and Tales and History: Jewish Connections to the Superhero Genre."

An analysis of many popular superheroes reveals a distinct relationship to Jewish cultural traditions. This talk will analyze Jewish ideologies that are present in several Marvel and DC Comic heroes, from Superman, Wonder Woman, The Thing (from The Fantastic Four) and members of The X-Men. We will trace various historical events as well as the Jewish myths, legends and tales from which these heroes derive.
