One Small Change Challenge!

Over the summer, we challenge you to make one small change here at OST or at home!

HERE ARE SOME IDEAS!

- Use reusable bags for groceries and produce
- Recycle
- Repurpose clothing and other items
- Walk or ride a bike instead of driving
- Use reusable water bottles and shopping bags
- Switch to CFL light bulbs
- Use less energy by turning off devices and unplugging chargers (Cell phone and other chargers use power when plugged in, even if there is nothing attached to them!)
- Put devices with remotes like TVs, DVD players, and stereos on a power strip and turn it off when you're not using them. These devices use a lot of power to run the remote receiver when the device is off.

Think of all the things we learned on Mitzvah Day, and take the challenge!

Let us know what SMALL CHANGE you have made at home and at OST, and we will share your answers in the next bulletin.

Please send to:
