CLERGY CORNER

Cantor's Notes

We might start to call this the **Year of the Youth** at Ohef Sholom Temple!

At the most recent Union for Reform Judaism's Biennial in San Diego, we heard URJ President Rabbi Rick Jacobs call for a new **Campaign for Youth Engagement**. We're proud to say that Ohef Sholom Temple's Board of Directors unanimously, and in partnership with our clergy, set Youth Engagement as one of our priorities, and voted to invest in a full-time senior staff person to help us achieve this goal. With the support of the board, our clergy, our interim Educator, and our Religious School Committee, we are in the process of seeking a Director of Congregational Education.

Recent studies have shown that our children are more likely to live active Jewish lives if they have had an immersive Jewish experience such as a **camp** or **Israel program**, and/or participate in Jewish youth groups such as our temple's Junior and Senior Youth Groups, **JOSTY** and **OSTY**. If your children and grandchildren have not yet taken advantage of membership in our youth groups, please encourage them to come and to get involved!

There are also more than 60 programs that the URJ offers for youth, which includes approximately 16 camps, 10 Mitzvah Corps & Religious Action Center programs for social action, four Teen Specialty Programs and eight Israel Programs. The Reform Movement's leadership camp for 10th-12th graders, Kutz in Warwick, NY, lists many of our active OST members among its proud alumni. Kutz Camp challenges and trains teens to be confident leaders of Song, Torah, Creative Arts, Social Action, Youth Groups, and more. In addition, there is a camp for children with autism and another for children with intellectual and/or developmental disabilities. And, there are two new URJ specialty camps – one for sports in North Carolina, and one for science and technology in Boston (for which Tammy and I will be on Faculty during a week this summer!). The Reform Movement's Israel programs are amazing, and include the URJ Keshet Taglit-Birthright Israel trip. These trips are offered year-round, are for 10 days each, and are absolutely FREE! Eligible participants need only be Jewish, ages 18-26 and seeking a once-in-a-lifetime opportunity to explore Israel. Reform Summer Camp and Israel programs afford our kids the chance to bond with Judaism, Israel, and other Reform youth for a lifetime.

There are **scholarship funds** available for these youth activities, from both the camps and programs themselves as well as from our Temple through the generous donations of Sisterhood, Men's Club, our Endowment Funds and others. To make it possible for others to get hooked on Judaism at a young age at camp, you might also consider contributing to our newly established campership fund, named in memory of our beloved member and past president of our Sisterhood, Leslie Legum.

Confirmation is a beautiful service that our Tenth Grade students and our clergy work hard to prepare annually. This year we have a wonderful, talented class of 16 Confirmands who will re-affirm their commitment to Judaism and Torah at a moving ceremony on Saturday, **May 16**. Melodious songs and prayers will be laid between their personal statements. Please come to hear our teens declare what Judaism means to them. They are inspiring.

Lastly, celebrate the idea that youth begins with you at our **Congregational Picnic** on Saturday, **May 9**! We are taking over a section of Stockley Gardens for a two-and-a-half hour celebration of Ohef Sholom Temple. We will begin with awards and thank-yous for our Religious School community, as the school year draws to a close. Then, there will be live music; face painting; a bouncy house; fun portraits; Hawaiian Ice; a relaxation station; and the Men's Club will provide nourishment. We will wrap it up with Havdallah and pet blessings – a sweet way to end the week and the school year.

We have a responsibility to our youth, to give them the encouragement and financial support to keep them involved in Judaism. Express your youthful side and invest in the next generation at Ohef Sholom Temple!

WHAT WILL I DO WITH MY UNSPENT RETIREMENT SAVINGS?

If you are like most people, you will designate family members as beneficiaries of your retirement accounts. The problem with doing this is that the majority of your savings will be taxed. Your retirement assets might actually make a better gift to charity allowing you to create your own Jewish legacy and save on taxes.

A WORD FROM THE PRESIDENT (AS OF MAY 3)

שלום ? אלו!

Shalom Y'all,

As you have surmised from the picture, your Ohef Sholom Temple Board of Directors is now under New Management. As such, you may be asking yourselves: “Who is this guy?” Here then is the background of your latest Temple President:

I am the first Ohef Sholom Temple President to be born in the decade of the 1960s and am even younger than **President Obama** (barely). As for my history with OST, I was born into this Temple and still remember my 1st grade Class meeting with **Rabbi Harold Hahn** back in 1968. My family ancestry dates back to the founding of the Jewish Historical & Literary Society in 1844 (the precursor to our synagogue) by **Isaac Hofheimer** (the front man) and **Aaron Goldsmith** (the behind-the-scenes financial backer). Along with Aaron's son-in-law, **Lewis Nusbaum**, these civic-minded individuals are responsible for the establishment of what are today Ohef Sholom and Beth El Temples.

Not only did both my Father and Grandfather serve as our Temple Presidents, but there are 16 other Past Presidents of our congregation to whom I proudly claim relation. That is a long way of saying that I love our Temple. It is a part of the very Fiber of my Being. The Presidency is both a **Sacred Responsibility** and Privilege. I hope to live up to **your expectations**, as well as those of my ancestors and my own, as I serve our Congregation and Community during these next two years.

While my family background is steeped in the **German-Jewish** traditions of **Classical Reform Judaism**, I have explored and respect all expressions of our Faith. To that end, I spent two years studying Hebrew, becoming a **Bar Mitzvah** and reading from the Torah for the first time at the age of 50. While I can read our Hebrew prayers, I don't necessarily daven to them. Similarly, I may wear a tallis (prayer shawl), on the bema when the Torah is opened but choose not to wear a yarmulke (Ask your parents!). Like you, **my Judaism is personal**, combining our Old Traditions and Modern Sensibilities.

Remarkably, Ohef Sholom has done a **wonderful** job of bridging these Two Realities of Contemporary Life. Yet our congregation still faces many challenges to remain Relevant in today's changing world. While we have done much to increase Adult Education & Programming for all Demographics in our Community, our **Religious School**, long the focus of all of our efforts, has been somewhat neglected. Suffice it to say that in 2015, we find ourselves with **21st century students** trying to learn from a **20th century model**. That is why our main focus for the next two years will be on **re-invigorating** our Religious School's Curriculum & Offerings.

Our Enrollment may be down from the turn of the century. Still we remain the largest and most vibrant Religious School in Southeast Virginia, and as such, our children deserve the best in Jewish education that we can offer them. The reasons, while obvious, since they represent our future, have been addressed in our **Religious School Long Range Plan**, presented to our Board of Directors last year by Religious School Committee Chair (now 2nd Vice President) **Karen Fine**. We must adapt our Religious School into the world we currently live in. Our children are already there.

More on these changes in the June Bulletin. Should you wish to help in this process, please contact our Temple Administrator, **Gail Bachman**.

Todah Rabah (thank you),

Ted Kaufman

FROM THE SISTERHOOD

It has been two years since **Leslie Legum** and I took over as Co-Presidents of Sisterhood from **Barbara Dudley** and **Sharon Nusbaum**. We knew what this would mean. Our predecessors had done an outstanding job, guiding Sisterhood for three (!) years; we would have to work very hard if we wanted to come even close.

It was an honor for Leslie and for me that we were asked to serve, as neither one of us had been on the Sisterhood Board before.

Two years have passed since our installation and this has been a rewarding, interesting – as well as time-consuming – experience. I know I speak for Leslie when I say that we enjoyed our time very much and we gave it our best shot. We also did laugh a lot!

For my last month in office and truly a fitting end to my term, I was so proud of Sisterhood for the amazing **Women's Shabbat**. Thank you to chairs **Barbara Dudley** and **Sandi Levi**. We announced to the congregation that we were able to establish a Fund in Leslie's honor, the **Leslie Legum Fund for Jewish Camps**, a cause dear to her heart and a wonderful legacy in her memory. We were so fortunate to have **Rabbi Connie Golden** as our speaker. Leslie and Connie met at camp and started a friendship that survived and thrived for decades.

I will step down officially in mid-May and Sisterhood will welcome a new Board with fresh ideas.

My deepest thanks to **Rabbi Roz** and the women of the 2013-2015 Sisterhood Board who have supported me and encouraged me, for giving me the chance to serve.

It has been an honor and a privilege to be (Co) President, and I look forward to working with Sisterhood and Ohef Sholom Temple for many years to come.

We will welcome the next Sisterhood Board on Tuesday the 12th of May. Please join us!

In Sisterhood,

Gabriele Jiannas

Caring Committee

Save this date!

Saturday, May 30: Playground build for a child battling cancer

Ann Nusbaum worked alongside one of the volunteers from Macy's to organize the clothing donations before they were handed out to the Soup Kitchen guests.

March was an exciting time for the Caring Committee as we carried on our mission and planned future programs. We are grateful to the Macy's employees who volunteered at our Soup Kitchen for the fourth March in a row during their corporate-wide Bag Hunger program! Because of the support of our congregants and other community organizations and individuals who have been generous with their time and money, we are able to serve a multi-course hot lunch, give out a gallon-size bag filled with toiletries, and distribute to-go snacks, new undergarments, clothing and much more every month.

Thank you so much for all the gently-used clothing, shoes, and nonperishable food you have been donating!

Do you have Monday mornings free? If so, mark on your calendar to volunteer with the Soup Kitchen the last Monday of each month from 9:30 am to 1:30 pm. It's a great opportunity to do a mitzvah and connect with other great congregants and community members looking to make a positive impact in our small corner of the world. New volunteers are always welcome and very appreciated!

The Soup Kitchen welcomed OST new member, Alice Titus, who jumped right in by prepping and serving food and meeting new people.

Did you know there are donation bins to collect your gently used (and still functional) housewares at Ohel Sholom? All items are put to use immediately at Gosnold Apartments, which provides permanent housing for adults who have been homeless. These items will be used by current residents or new residents moving in without many personal possessions. Items like sheets, towels, cookware, lamps, rugs, and Tupperware are all welcome.

The Donation bins for non-perishable food, clothes, backpacks, etc. for the Soup Kitchen, toiletries, used cell phones and eyeglasses, items for the Military Support Committee (especially during Hanukah) and for Gosnold Apartments are now located in the Religious School hallway. Please help keep them full.

Saturday, May 30 will be the Caring Committee's 3rd *Tikkun Olam Together* program in coordination with Roc Solid Foundation. We will work together from 8:30 am – 1:00 pm to build a playground in the yard of a child who is recovering from chemotherapy. The family will be sent on a fun adventure while we build the play space (under expert technical direction), and then they return home to discover the lasting gift we've constructed for them. It will be an experience to remember! No construction experience is required. Lunch and t-shirts are provided. Sign up via the Quick Link on ohelsholom.org.

Thank you to Sisterhood who donated \$900 so the Caring Committee could continue and expand its community outreach and Temple in-reach efforts.

Yours in caring,

Alyssa Muhlendorf

PAULA RUSSEL TO RECEIVE THE ROSENBAACH AWARD

On May 8th, during our 6:30 Shabbat Services, Paula Russel will receive the Rosenbach Award. This prestigious award, created in 2004 by our Board of Directors, honors a Board member whose outstanding service and contributions to Ohef Sholom Temple best embody the qualities of leadership and commitment demonstrated by our beloved Kurt Rosenbach. Paula is the consummate lay leader always willing to volunteer. This is what she did at Temple Sinai and this is what she does at Ohef Sholom.

Paula played a major leadership role at Temple Sinai. Not only did she go through all the preliminary positions leading to the presidency of Sinai, but following her presidency she remained active by chairing dozens of significant committees.

Paula was an active participant in all of Temple Sinai's major fundraisers including their annual auction, which became a highly anticipated social event in the greater Portsmouth community. She also ran Sinai's very profitable tulip bulb fundraiser.

After the Temple Sinai-Ohef Sholom merger, Paula fully involved herself in many aspects of this congregation. She dove in whole-heartedly, joining Sisterhood, the Membership Committee, and the Fundraising Committee. She readily turned strangers into friends with every involvement.

She became an integral member of Sisterhood, helping - at all hours - to organize the Rummage Sale and the Used Book Sale. As a professional flower arranger, she has generously offered her time and skills to any and every event that needed beautifying. She has played a large role in decorating our fundraisers.

What many people might not know about Paula is that she is a former math teacher and banker by trade. She retired as a Vice President of Sun Trust.

Paula Russel - a dear friend to many, a travel enthusiast, an artist, a dedicated volunteer - we are lucky to call her our own.

*of blessed memory

Dear Congregants and Friends,

I cannot tell you how moved I was to receive the new OST Directory dedicated to my ten years of service to our congregation. Your outpouring of love and gratitude overwhelmed me and brought me to tears.

I always say that I am the luckiest rabbi in the world to serve our precious OST family and the amazing Tidewater Jewish community of which we are a part. And so, it is I who am grateful for YOUR passion, love and support and look forward to many more years of doing our sacred work together. May we continue to grow in friendship and community; in *mitzvot* and deeds of loving kindness; and in faith and hope. Together, let us create a better world, one truly worthy of God's blessing.

With respect, gratitude, and affection,

Rabbi Roz
