CLERGY CORNER

A Word from Rabbi

It is the policy of congregational rabbis in all traditional branches of Judaism to "purchase" or legally acquire ownership of *chometz* (foods which Jews are forbidden to own during Passover) from their congregants and to "sell" these items to a non-Jewish entity for the duration of the holiday after which all is returned to original ownership. This policy suggests other possibilities as well. Hence. . .

A Word from the President

We are always busy around Ohel Sholom. We are working hard to establish our place in the community, to provide for our spiritual well-being, to provide an outlet for our social justice aspirations, to fulfill our educational needs, to be at the center of the expression of our Judaism. To accomplish this, we have assembled awesome Rabbis and Cantor, who care for us, challenge us and educate us. We have an amazing support staff, who

welcome us and support us, who make everything we do shine with professionalism, and ensure that all the activities happening everyday around Temple are well-managed. We have fantastic volunteers who serve on some 30 or so committees and groups. We are truly a gifted and engaged community with an inspiring facility in which we conduct our congregational life. All of this makes us leaders in our Jewish Community, and we take this responsibility seriously.

There is much more we can do to serve our community, but despite the resources available to us, we can only stretch them so far. There is just not much room in our budget to take on more. Even though we have some of the most generous of benefactors, not everyone can afford to do more. **Currently, our costs are roughly \$1,800 per member.** You may have noticed that family memberships cost about \$1,800, but we also have many single members who don't pay at that rate. We haven't raised dues in a few years, primarily because we've been very good stewards of the monies you've entrusted to us. We live within our means, but that doesn't afford us the ability to reach out and do more.

We live in an aging building with constant upkeep demands. We have a wonderful staff, but they are shorthanded for the work that they do. There is so much more work to do, but we can't afford to take it on right now.

*Since I've been President, I've been working on a two-pronged approach to funding our beloved Temple. First, I'm asking that everyone revisit his or her commitment to Temple for the immediate future. I don't know what you feel comfortable giving to charity. I hope you try and give as much as 10% of your annual income to your philanthropic interests. **It would be terrific if Ohel Sholom received 2% or more of your annual income.** That's what our umbrella organization, the URJ, says members should be giving. **If everyone gives as much as they can, we will never have to have across-the-board-commitment raises again,** and we will be able to reach out to more of those in our community in need and provide more of the wonderful opportunities you've had to enrich your Jewish life. Second, with the help of a lot of committed leaders, I have been trying to raise awareness about our Endowment campaign. In order to perpetuate those ideals we hold dear, we need to secure the future of our beloved congregation. **Planning your endowment gift now will ensure that Ohel Sholom will reach generations to come.***

We've done really well in managing the resources we have and in building our endowment for the future. I have no crystal ball with which to predict what will be required 50 years from now. Yet I envision that those who carry the responsibility for the financial health of our congregation will face ever-increasing expenses and a requirement to get more of the funding for them from sources other than congregants' annual commitment. Please join me in adding to your commitment now and in pledging resources for the future.

Tree of Life and Tree of Remembrance

Everyone remembers the beautiful trees we have adorning the entrance to our sanctuary. There is the "Tree of Life" and the "Tree of Remembrance." These were donated by the Dozoretz and the Strelitz families years ago and have been "growing" ever since. Buying a leaf on the Tree of Life is a wonderful way of celebrating a special occasion, such as an anniversary, birthday, bar/bat mitzvah, wedding or in recognition of a particular honor. Buying a leaf on the Tree of Remembrance is a beautiful way of memorializing someone we have lost.

It is very easy to purchase one of these leaves. The cost is \$150 per leaf. Simply call the Temple office (625-4295), tell us what you want engraved, and there will be a leaf placed on the tree of your choice..

March is a month of change. Besides changeable weather, a return to Daylight Savings Time, and the return of spring on March 20, our **third annual Women's Seder** this March will be sweeter! The date is **Sunday, March 17 at 3:00 p.m.** Our committee co-chairs, Sara Bachman and Meg Zimmerman, have planned a wonderful afternoon. Rabbi Roz will lead the reading of our Women's Haggadah. Instead of the full Seder meal, we will enjoy and share delicious Passover desserts brought by those in attendance. **Please RSVP to sara@ohefsholom.org.**

Another change is the date of our **March Sisterhood Meeting.** It is now scheduled for **Tuesday, March 5 at 6:30 p.m.** in the OST Library. **Sisterhood's Rosh Chodesh Group** is **Sunday, March 10 at 10:00 a.m.** in the library.

Upcoming programs this spring includes:

- ✿ Books, Media and More Sale on **Sunday, April 7.**
- ✿ The Sisterhood Shabbat on **Friday, April 12 at 7:30 pm.**
- ✿ A Sisterhood Afternoon Tea (**date to be announced**).

It is never too late to join or re-join Sisterhood. Application forms are available on the OST literature table or you can find a link to the form on the Sisterhood web page at www.ohefsholom.org/community/sisterhood.

We can now accept your dues and extra gifts by electronic payment at the Temple office or by Google on-line. Please specify that your payment is for "Sisterhood dues" or "Sisterhood gift." We also accept old-fashioned checks! Please note that if you are new to OST, your membership is free for the first year, but please fill out the membership form and send it without payment.

Your Caring Committee

This month the Caring Committee would like to highlight its newest community outreach program. Starting in January, OST became a school sponsor for the Foodbank Backpack Program that provides food to over 3,000 school children in 49 elementary schools in Hampton Roads. The schools estimate that there are 80,000 elementary students in need of food assistance, so the Foodbank is actively seeking school sponsors to provide logistical and financial assistance for this program.

The OST Caring Committee is starting off by sponsoring 20 students from Chesterfield Elementary School located in Norfolk.

This is how the program works....

1. Once a month we receive a food delivery from the Foodbank with enough supplies to fill 40 grocery bags.
2. OST volunteers sort the food items and pack the bags. Each bag contains approximately 12 non-perishable grocery items.
3. OST volunteers deliver the grocery bags to Chesterfield Elementary School.
4. The school guidance counselors distribute backpacks filled with the grocery bags of food every other Friday.

The cost is \$5 per child per bag. We will be delivering food for a total of 12 weeks from January to the end of school in June. The total cost for sponsoring 20 children is \$1200.

The Caring Committee is proud to be a part of this program that helps children in our community to get the nourishment they so desperately need. I'd like to give recognition to Dorianne Villani for her interest in this program and involvement in getting it off the ground. Religious school students are helping to sort and pack the grocery bags and, in the process, learning the importance of helping children who are less fortunate than themselves. Thank you to the 9th grade class for helping us with the first packing session and to their teacher, Brett Trussell, who has volunteered to deliver the bags to the school with the help of NAVY volunteers.

*We would like to grow this program to support more children next year and with your help we can. **Please consider making a donation to the Caring Committee to sponsor a child for the year. The cost for one child is \$120 per year. We would also welcome B'nai Mitzvah students to adopt this program as a B'nai Mitzvah project.***

MITZVAH DAY 2013-Annual Congregational Event

Mark your calendars for Mitzvah Day 2013 on April 22.

This year Mitzvah Day will focus on the charitable organizations that have been selected by the Religious School students for their weekly *Tzedakah*. Mitzvah Day will give them the opportunity to learn more about these organizations and boost their donations through "Steps for *Tzedakah*". Each class will walk to raise money for their own cause by recruiting family, friends and OST congregants to walk with them or sponsor them.

The walk-a-thon will feature the following *Tzedakah* Teams:

- Juvenile Diabetes Research Fund
- Susan B. Komen Race for the Cure
- Jewish Family Services-Jewish Book Fund, Food Closet and Camp Scholarships
- Children's Hospital of the Kings Daughters
- Jewish Braille Institute
- Make-a-Wish Foundation
- The Religious School Relief Fund
- Hope for Life Animal Shelter

We encourage everyone - young and old - to participate in a project and/or walk with us on Mitzvah Day. Come out and support your favorite *Tzedakah* team.

There will also be educational displays and activities throughout the day as well as community service projects in which to participate. Stay tuned for more details in the April bulletin, online and in "As the Temple Turns."

Upcoming Events:

NEST (Norfolk Emergency Shelter Team) continues until March 6. If you would like to volunteer please call the Temple office at 625-4295 to see if shifts are still available.

OST Soup Kitchen - Volunteer to prepare and serve lunch on March 25. Contact Dorianne Villani (dvillani@cox.net) to help.

OASIS Breakfast - Volunteer to prepare and serve breakfast at the OASIS Center in Portsmouth on Sunday, March 10 from 7-9 a.m. Contact Marti Wachtel (mjw757@yahoo.com) to help.

JCOC Dinner - Mark your calendars for the 2013 dates: April 10, September 25 and December 9. Please contact Anne Kramer (fanniek001@aol.com) if you would like to volunteer or sponsor a dinner.

Soup Kitchen Backpack Drive

We are conducting a Backpack Drive for our Soup Kitchen patrons. Would you please consider donating a new or gently-used backpack or tote bag? We are hoping to collect at least 100 backpacks and/or totes so that we will be able to give one to every guest at the next meal on March 25. You may leave your donated backpack on the Soup Kitchen shelf in the entry hall.

Please get involved in this OST community outreach program. As the number of guests at each meal grows, so does the need for volunteers to help prepare and serve the meal, welcome guests at the door and check-in desk, and help with the distribution of toiletry articles, water bottles, donated clothing, blankets, backpacks etc. If you are available to join us on the last Monday of the month, please contact the Soup Kitchen Chairperson, Dorianne Villani, at dvillani@cox.net or 301-6477.

Oasis Breakfast News

I am pleased to announce that OST Sisterhood agreed to be the first sponsor of the monthly breakfast at Oasis Social Ministries by funding the February meal.

We are seeking additional donors to sponsor this worthwhile breakfast that feeds the homeless in our community. Consider sponsoring a breakfast in honor of a birthday, anniversary, other special event or in memory of a beloved. This is an ideal project for a Bar or Bat Mitzvah and can include collections of clothes, toiletries or books.

The next breakfast will be served Sunday, March 10, beginning at 7 a.m. and concluding at 9 a.m.

I would like to extend a big thank you to our regular volunteers: Sandi Advocat, Ingeresa Friedman, Sharon Ross, Prue Salasky and Joash and Elaine Schulman. New volunteers are always welcome.

To volunteer or for further information, please contact:
Marti Wachtel at 735-4029 or mjw757@yahoo.com.

"The History of Jewish Music" with Cantor Wally

What is the earliest known form of music? If we look at the Bible, we can see that the most ancient descriptions of song we are aware of originate there... with the Jews! From the ram caught in the thicket near Abraham (whence we get the music of the *shofar*), to Moses and Miriam leading the Israelites in song across the Red Sea, to commandments to praise God with music in the Psalms, the Jews have been singing since (almost) Day One. Take a listen and participate in an exploration of our "History of Jewish Music" with Cantor Wally.

You are always welcome to join our Torah Study (Saturdays at 9:00 a.m., Tuesdays at 7:00 p.m.) and Mussar groups. For more information, contact the office or Rachelle Luna, luna@exis.net.

Join Rabbi Connie Golden & Rabbi Arthur Steinberg as they explore selected Jewish topics in depth.

"What's All This About The Covenant?" with Rabbi Steinberg

Sunday, March 21 at 11:15 am

Our religious concept of a covenantal relationship with our creator has been a significant aspect of the Jewish belief system. We will discuss its origin, history, and personal applications as we measure its meaning for us in the 21st century.

The best way to endure the cold weather is to curl up with a good book, so make sure to stop by the OST Library and check out our collection! We have a wide variety of fiction, including some of the Sisterhood Book Club's most recent reads, and nonfiction books on an array of topics from history to cooking. Also, come check out Temple Sinai's Holocaust Collection!

Your OST Library is open throughout the week during the main office hours. Stop in to find great reads to relax and escape the weather!

"Kids Helping Kids"

The Religious School is putting a renewed effort into participating in more *G'milut Chasidim*, deeds of loving kindness. "Kids helping Kids" is the theme suggested by the Caring Committee. With this

theme in mind, several classes have volunteered to sort, package and fill backpacks with food for the Food Bank's Backpack Program. This program distributes nutritious, child-friendly, non-perishable, and easily-consumed food to children in need at the end of the school day, and before weekends and school breaks.

Children who receive food from this program are referred to the Foodbank of Hampton Roads by school social workers and are on the free and reduced lunch program.

Ohel Sholom is sponsoring 20 children who attend an elementary school in Norfolk. The ninth grade class was the first to work on this project. Other classes who have volunteered to do the sorting and packaging are the fifth through seventh grades.

WHAT'S UP *at The Religious School Committee?*

CHANGE, PROGRESS AND GRATITUDE!!

I love quotes!! Here are a few to ponder:

On Change:

"Change brings opportunity." ~ Nido Quebin

"One change always leaves the way open for the establishment of others." ~ Niccolo Machiavelli

"The only way to make sense out of change is to plunge into it, move with it, and join the dance." ~ Alan Watts

On Progress:

"Progress, of the best kind, is comparatively slow. Great results cannot be achieved at once; and we must be satisfied to advance in life as we walk, step by step." ~ Samuel Smiles

"If you're walking down the right path and you're willing to keep walking, eventually you will make progress." ~ Barack Obama

On Gratitude:

"Gratitude is not only the greatest of virtues, but the parent of all others." ~ Marcus Tullius Cicero

"Gratitude makes sense of our past, brings peace for today, and creates vision for tomorrow." ~ Melody Beattie

"No one who achieves success does so without acknowledging the help of others. The wise and confident acknowledges this help with gratitude." ~ Alfred North Whitehead

A little more than a year ago, some changes were made to the Religious School. Gail Bachman, our devoted Principal for many years, was promoted to Temple Administrator. In her place, Kitty Wolf and Debbie Haring assumed the newly formed positions of Religious School Educator and Religious School Director respectively. This was not a small change as many will attest to!!

Change presents challenges but as stated in the quote above also "brings about opportunity." Progress is a process which can be slow and only achieved "step by step."

On behalf of the Religious School Committee, I wanted to take the opportunity to express our sincere gratitude to all: Kitty Wolf, Debbie Haring, teachers, students, parents and families alike for your support and patience in this process. Thanks for "plunging in and joining the dance." The success of this transition could not have been achieved without your help. As this process has not been perfect, it is a journey not a destination.

We hope you will continue to be willing to walk down the path together, one step at a time! Join us in the dance of making our Religious School the best it can be!

Truly,

Karen Fine

Happy Passover

Jewish families are always creating new ways to bring the Passover story to life. But some things never change. Like the way each generation plans and builds for the next, making sure the foundations of Jewish life are strong and can respond to evolving needs. When you leave a Jewish legacy, you join this chain of builders. You leave your children and grandchildren a precious inheritance, and a lasting testimony to your values.
