# PRESIDENTIAL ADDRESS

Ohef Sholom Temple continues to thrive even while coping with the disruption and difficulties of the pandemic. I credit a lot of this success to the active participation of volunteers and congregants, as well as the strength and longevity of our clergy, especially our beloved Rabbi Roz.

In October, Ohef Sholom held an open-air Fall Harvest Havdalah. Attendance and fun were at a maximum. In December, we had great Chanukah programming including the live streaming of candle lighting from people's homes and around our community. A special tip of the hat goes to Carol Brum who is the chair of our Engagement Committee for her diligent work to make sure that the Temple is fulfilling its promise of meaningful activities for our congregation, including helping those less fortunate.

In November, I had the pleasure of participating in the joint Thanksgiving services at Ohef Sholom Temple with our friends from Freemason Street Baptist Church. This tradition is approaching its 100th year. The idea of civic and religious engagement with other parts of the community for more than 90 years warms my heart. Some of the best aspects of Reform Judaism are related to our outreach. So much sharing, learning, and understanding occurs when we get together with other faith groups and are reminded of the common values that bind us together. I had to confess that I was a first time participant in this annual Thanksgiving event. It will certainly not my last, because I enjoyed this meaningful service. I hope you will make sure to find a place for it on your calendar next year.

Jewish education, acts of love and caring, and inspiring services are key at Ohef Sholom Temple. Help us keep these traditions strong by participating in whatever fashion works for you. Even committee work is easier these days as most meet by Zoom or have a remote option. That means that you can participate in the life of your congregation and its important work without leaving home. Please join us!

One final note: As I write this article, we are again altering our COVID-19 policy. Fortunately, we have a dedicated committee of OST leaders, including medical and legal professionals, who have spent countless hours refining the policy as the pandemic changes so that we may function "as normal as possible" while keeping us all as safe as possible. Please check our website to get the most up-to-date information on openings, mask requirements, etc.

Stay safe and Happy 2022!

# JEWISH LIFE

I hope everyone is staying warm and enjoying time with family and friends. Once again this year, Sisterhood has been asked to support various Temple activities and programs. We have been able to provide funds so that Chanukah packages could be mailed to the entire congregation. We were also asked to assist with providing the To-gOneg for the wonderful service celebrating our military in November. The Quilting Group does amazing work donating warmth and beauty to those in need. In order for these quilters who give so much of their time and energy, to continue their work, the group asked the Sisterhood to purchase two new sewing machines. We were happy to help!

Even though we haven't been able to meet as often as in the past, we are still hoping you will join us. Your membership dues allow us to help when we are asked. We are always open to your ideas so please contact me with any ideas or suggestions you might want us to try.

For future programs, please be on the lookout for articles in the As the Temple Turns or in a dedicated email.

Yours in Sisterhood,

*Gail*

## NEW MITZVAH MEALS PROGRAM

In an effort to continue to serve our community and to let our homeless and hungry neighbors know that we care about them, we are happy to announce the official launch of our Mitzvah Meals Program at OST! The city has opened a new shelter at the previous Budget Lodge on Tidewater Drive, and they house 100 previously-homeless residents in shared hotel rooms. The Center will be replacing NEST, so homeless guests will no longer have to move from place to place. Breakfast and dinner are provided to them, but they are in desperate need of meal donations from community and faith-based organizations, as there is no kitchen facility there, so they are dependent on meals being brought in.

Our OST Soup Kitchen and NEST committees, and hopefully our volunteers, are joining forces to participate in a meaningful way to support The Center and help ensure its success. We are preparing meals in our Temple kitchen, individually portioning them, and then transporting 100 clamshells, drinks etc. to The Center. Our goal for now is to provide dinner once or twice a month, and perhaps we will grow the program as money and volunteer interest grows.

We have provided dinner for The Center twice; our latest meal was Thursday, December 9. We also distributed new Bombas socks and individual toiletry kits. Our hot "home-cooked" meals and fellowship were greatly appreciated by the leadership and residents.

If you would like to participate in this Mitzvah, please reach out to us.

ברוך אתה יהוה אלהינו מלך  
העולם אשר קדשנו  
במצותיו וצונו לרדוף צדק.

Baruch Atah Adonai Eloheinu Melech ha-olam,  
asher kid'shanu b'mitz'votav v'tzivanu lir'dof tzedek.

Blessed are You, Eternal our God, Ruler of the Universe, who  
hallows us with Your mitzvot and commands us to pursue justice.

ברוך אתה יהוה אלהינו מלך העולם שנתן לנו הזמנות  
לתקן את העולם

Baruch Atah Adonai Eloheinu Melech ha-olam,  
shenatan lanu hizdam'nut l'taken et ha-olam.

Blessed are You, Eternal our God, Ruler of the Universe,  
for giving us the opportunity to mend the world.

We follow COVID protocols and will adjust as the situation evolves. We need 10-12 people to make dinner for 100 people, portion it into clamshells and transport it all to The Center. Please join us!

# LIFE & LEGACY

*V'shinantam L'vanecha: You shall teach your children...*

## Grants from two families help OST's Religious School teach all of our students

V'shinantam l'vanecha, "you shall teach your children," refers to all children. This philosophy has guided Ohel Sholom in providing a meaningful and appropriate religious education for all in our Religious School – creating an environment in which all students, regardless of their needs, learn and succeed.

We are so grateful to receive very generous grants from the Simon Family Foundation and the Dozoretz Family Fund to ensure that all of our children receive the best Jewish education possible.

### Dozoretz Family Fund

A multi-year gift from the Dozoretz Family Fund will enable us to continue to grow and develop a system to create a Jewish Individualized Education Program (JIEP) for each child enrolled, monitor these children, and work with teachers to help integrate each child into their classrooms, as well as to equip special safe classrooms for learners who need to be in their own setting.

Over the past five years, OST has touched 25 individuals with many in our program for multiple years. All learners have been integrated for at least part of the school day, with approximately 95% majority integration into the regular school routine.

Shari Dozoretz Friedman and Renee Dozoretz Strelitz say their motivation for giving is a way of honoring their late father, Ron Dozoretz's legacy: "Our father's life's work was dedicated to the mental health and special needs community. We are honored to support this important program at OST in memory of our father. We hope that it will

be impactful in continuing to create a more inclusive Jewish environment in Tidewater."

### Simon Family Foundation

Kim Simon Fink explains the "why" of her family's ongoing support of OST's Religious School:

"As former OST Religious School students, as parents sending our own off every Sunday, myself, a "Parsha Maven" who burst into classrooms K-10 presenting 5-minute weekly parsha sermons, and finally, as a Confirmand speech "fine-tuner" – my favorite annual gig to not only offer some tips about public speaking that our 10th grade students can take on their journeys forward, but most importantly, to get to know them and appreciate the learning, the insights, the skills, and the camaraderie they graduate with at the end of their OST schooling.

"Because Religious School isn't an extension of the learning approaches they get during the week.

Because Religious School, from committee to staff and teachers endeavors to change things up.

Because Religious School breaks through traditional walls taking students out and about in their communities via myriad field trips that teach, introduce, and enforce community activism – our Jewish precept of Tikkun Olam.

Because for four generations and counting, we of the Simon Family Foundation know the blueprint of our Sunday Schooling here at Ohel Sholom,

Because of this and so much more, we are grateful and appreciative of what our temple offers to our own, as well as to our community beyond.

"With our Simon Family Foundation grant, it is our pleasure to be a part of this continuing process – the partnership in educating our students.

"We of the Simon Family Foundation know what happens after the last parent has dropped off and sped away," says Kim Simon Fink. "I've experienced, first hand, the energy levels, the variety of creative educational approaches that engage, the specialized attention to a variety of needs – both physical and emotional, the friendships ... and the fun."

sharing their love of Judaism with future generations of our people. They have made the teaching of L'Dor Vador a reality. For this, among many others, We of Ohef Sholom are eternally grateful."

Rabbi Roz says, "Teaching Judaism to our children is among the most important mitzvot in Torah. The generous gifts of the Simon Family Foundation and the Dozoretz Family Fund ensure that every single child in our school will receive an innovative, quality, and meaningful Jewish education regardless of their different abilities and/or learning challenges. We cannot thank you enough Kim Simon Fink, Britt Simon and Ben Simon, as well as Shari Dozoretz Friedman and Renee Dozoretz Strelitz for

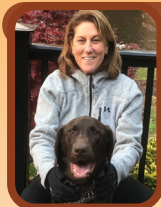

## GRATITUDE SPOTLIGHT

### Lawrence Steingold

With the recent change of staff in our bookkeeping department, Lawrence stepped up to make the transition a smooth process. Lawrence has worked closely with Eric in regards to preparing a preliminary budget, helping work with numerous committee budgets and accounts and more specifically educating Eric on the Ohef Sholom Foundation. We can also thank Lawrence for helping to review and balance out financial statements to ensure the accuracy of our accounts and bookkeeping department. Lawrence is always a joy to have visiting the office and we cannot thank him enough for stepping up.

### Ellen Rostov Hundley

Ellen is one of those rare gems of a person. She is always willing to help with anything around the Temple and is as kind as can be. Whether she is helping Kitty with organizing the Religious School classrooms or helping Rabbi Roz organize her office more efficiently, Ellen is always there to make sure our daily routines run smoothly. Ellen has also been a strong asset in making sure our monthly Soup Kitchen operates. We truly appreciate all that she has done for us.

### Carol Rosenblatt

Whether she is putting together congregational gift packages or making calls to our members or covering the phones during our Senior Staff meetings each week, Ms. Carol is always behind the scenes here at OST. She is always asking about our staff and the staff's children and stays up to date with the latest congregational changes. We are extremely grateful for all she does for our OST family!

A big **TODAH RABAH** for these three.

A Leaf has been purchased in honor of each of them for our Tree of Life in the Sanctuary hallway.
