PRESIDENTIAL ADDRESS

As I write at the end of February, I reflect on COVID, security, and stewardship. The Temple continues to navigate its way through the challenges of Jewish life in the time of COVID. Our main goal is to remain accessible through as many channels as we can. I hope that you are taking advantage of some of our great online programming including the live streaming of events. We have reached many people who in the past might not have had easy access to our lovely Friday night services and music. You can even go back at a time of your choosing and listen to a service that happened in the past.

Security has been on everyone's mind since the Texas hostage fiasco. We at Ohef Sholom have long made security a top priority. Training sessions continue to be held so that our Temple family is in the best position to avoid tragic outcomes. Safety at our spiritual home requires constant vigilance. I thank everyone who has participated in the trainings and especially our security consultant, Joe Bouchard, and all on our Security Committee, which is led by David Jarvis.

The Stewardship Workgroup has been formed under the able leadership of Alyssa Muhlendorf. We strive to thank everyone for their contributions of time and treasure to our beloved Ohef Sholom Temple. We are always seeking to do the best we can so everyone is acknowledged and recognized for their participation in our synagogue's success. Expressing our appreciation through a culture of philanthropy and gratitude is so important to fulfilling our mission to continue to be a light from generation to generation here in Tidewater, Virginia. You the congregation and extended OST family, deserve to be praised and uplifted for your efforts and caring.

Thank you for the opportunity to be your President and a player in the Purimshpiel. If you ever have a question or concern, please do not hesitate to call me. My cell is (757) 621-6268. Stay safe and best wishes to all.

JEWISH LIFE

Greetings from your Ohef Sholom Sisterhood.

We are continuing to work, often behind the scenes, to reach out to congregants, new, returning or just searching for a good fit. We have tried to have activities during this difficult time. During February, we gathered, via zoom, to socialize, communicate and share opinions. Please remember we are always open to your ideas so please contact me with any thoughts or suggestions you might want us to try.

For future programs, please be on the lookout for articles in the As the Temple Turns or in a dedicated email.

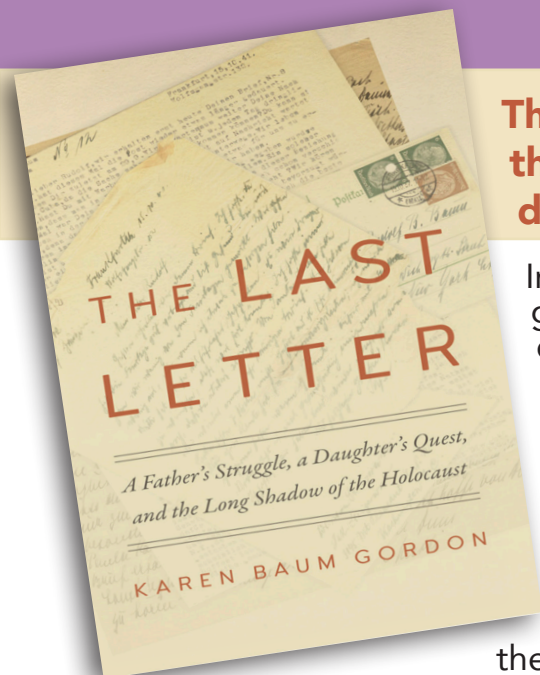

Yours in Sisterhood,

Gail

Sisterhood

The OST Young Adult D'Bar Group invites you to join them as they welcome Karen Baum Gordon as she discusses her book, *The Last Letter*.

In recreating the fatal journeys of her grandparents and tracing her father's efforts to save them an ocean away in America, Gordon discovers the forgotten fragments of her family's history and a vivid sense of her own Jewish identity. By inviting readers along on this journey, Gordon manages to honor victim and survivor alike and shows subsequent generations—now many years after the tragic events of World War II—what it means to remember.

EDUCATION & ENGAGEMENT

Religious School

Although this has been a challenging year, our Religious school is doing very well! The transition to in-person from virtual learning has been very successful.

Along with masking and social distancing, our teachers have been quite creative with their lessons and class activities using an engaging Jewish values and Hebrew curriculum. Art projects, music, movement, games, stories and videos keep the students in all our classes interested and actively participating.

We are deeply grateful for our wonderful faculty and Religious Education Committee for all they have done to support our learning community and for their commitment to helping us thrive!

In the Jewish justice system, antisemitic based offenses are considered especially heinous. In Shushan City, the dedicated detectives who investigate these vicious schmendricks are members of an elite squad known as the Shushan Villains Unit. These are their stories.

GRATITUDE SPOTLIGHT

Dorianne Villani

OST's Soup Kitchen welcomes guests from the Norfolk homeless community on the last Monday of each month. They serve anywhere from 5-25 individuals offering warm meals, providing clothing and toiletries, and assisting with resources. None of this would be possible without the selfless generosity of Dorianne Villani and her committee. Dorianne works tirelessly collecting supplies, planning meals, meeting with city officials, and gathering volunteers. Most recently, Dorianne saw a need not only for lunch but for dinner as well. She spearheaded a movement to provide lunch at OST and then dinner at The Center. Dorianne's Mitzvah Meals project is something that truly makes OST proud and we cannot thank her enough for her generosity towards OST and towards the Norfolk homeless community.

Steve Kocen

We recently thanked Lawrence Steingold for helping with the transition in our Bookkeeping department but we also need to extend our thanks to Steve Kocen. Steve has spent countless hours assisting Eric Eaton, Steve Kayer, and Lawrence Steingold. In addition to helping with our day-to-day bookkeeping, He has also helped OST with various PPP Loans and our banking. Steve always greets the office staff with a huge smile, checks in our respective families, and is always a joy to work with.

A big **TODAH RABAH** for them both.

A Leaf has been purchased in honor of each of them for our Tree of Life in the Sanctuary hallway.
