# PRESIDENTIAL ADDRESS

**I hope to see you around Temple.**

High Holidays went beautifully at Temple. Special thanks go out to Jay Lazier for being the volunteer in charge. Thanks also go to Rabbi Roz, Cantor Jen, Chuck Woodward, and all of our Temple staff and volunteers who helped make certain that the Services were safe and meaningful. The atmosphere was welcoming and joyful.

It is amazing how quickly Sukkot follows the Days of Awe. Sukkot may be my favorite holiday because I love to be outside. How lovely the October weather has been! We had a series of successful events in our sukkah during the holiday. If you didn't get a chance to join us this year to shake the lulav, please try for next year.

In addition to being known for our wonderful Services, Ohef Sholom has a great reputation for having fun and socializing. The recent Fall Harvest Havdalah at Greenbrier Farms brought congregants of all ages out for hayrides, caramel apples, and, of course, Havdalah. On November 1, our night of comedy with Benji Lovitt promises to be an entertaining evening. We all could use a laugh.

Religious School is in full swing. There is excitement in the building with children, teachers, and parents. Please find an opportunity to visit with us and perhaps help out on Sunday mornings. I hope to see you around Temple.

Very truly yours,

John M. Cooper

***Welcome Aya & Alma!***

**ShinShin (ש"ש) is the Hebrew acronym for Shenat Sherut (תוריש תנש), meaning Year of Service.**

The Tidewater Jewish community has been given the amazing opportunity to host Israelis Aya Sever and Alma Ben Chorin during their Year of Service before starting their IDF careers. Throughout the year, you will find the girls at Ohef Sholom, Strelitz International Academy, the Simon Family JCC, and other Jewish organizations around Tidewater. Liam and I have been fortunate enough to host Aya for the past few months and have thoroughly enjoyed our time together. Aya and Alma both are bringing Israel to our community in so many different ways. I strongly encourage you to make time to meet and get to know them. Please consider becoming a host family, inviting them to a Holiday or Shabbat Meal, or taking them on various excursions around Tidewater. *They may even crash a wedding with you!*

# RELIGIOUS SCHOOL

**OST is the place to be, especially on Sunday mornings! Pop into the building on most Sunday mornings and you will find it **BUZZING** with activity.**

During Hebrew, you'll find groups of learners in Kaufman Hall, working with teachers and teens as they study Hebrew together. Hang around for a little longer, when Religious School begins, and you will be greeted with happy faces as more students arrive eager to join their friends and see their teachers to find out what exciting activities are planned for the day.

Since September, we have prayed together through meaningful T'filah services, welcomed in the new year, challenged ourselves by building our own sukkahs during our first family holiday program, and welcomed our newest learners during a lively Simchat Torah/Consecration service. Our Confirmation class, led by Rabbi Roz and Cantor Jen, has already started diving into their studies. And our Wiggles and Giggles group, for our very youngest learners, has already met twice with much enthusiasm.

While all this is going on in our classrooms, many parents have stayed for our new Schmear & Schmooze in Simon Hall. If you haven't stopped by yet, we hope you'll carve out time to stay soon! Did we mention there are bagels and coffee? Parents gather, connecting with other parents, as our children are

making connections with their peers. It's

truly a joy to see our school community come together again.

Looking ahead, together with the Mitzvah Day committee, we are collecting food items to make Thanksgiving baskets to donate to Jewish Family Services. Keep an eye out for more information on this school-wide effort.

**Here are a few events to mark on your calendar for the upcoming weeks:**

On **November 20th**, due to the Norfolk Harbor Half Marathon, we will host a virtual family program on Zoom, instead of meeting at the temple.

On **December 18th**, our second (in-person) family holiday program will take place as we celebrate Chanukah together.

We have all this, and more to look forward to. We are so grateful to our amazing teaching staff and Temple leadership for making all of this possible!

As you can see, OST has lots of exciting programming most Sunday mornings and we hope to see you there to join in the community-within-a-community we are creating here!

If you have any questions, or would like to find out more about the Religious School, please reach out to:

Director of Lifelong Learning

# JOSTY/OSTY

F.R.I.E.N.D.S.  
*giving*

OSTY and JOSTY had its first event on Oct. 9, kicking off the new school year with a fun Sukkot celebration that included pizza, a cornhole tournament and making new friends. We're excited for lots of fun and relationship-building this year. Join us for our next event on November 6, when we'll celebrate one of the best events of the year: Friendsgiving. It will immediately follow religious school and we can't wait to see you! RSVP to [ostyadvisors@gmail.com](mailto:ostyadvisors@gmail.com). All 6th through 12th graders are welcome to join.

# MITZVAH DAY

Happy Fall and Winter holiday season! Now that we can be together in person, your Mitzvah Day co-chairs have been busy planning ways we can give back to our synagogue and our community!

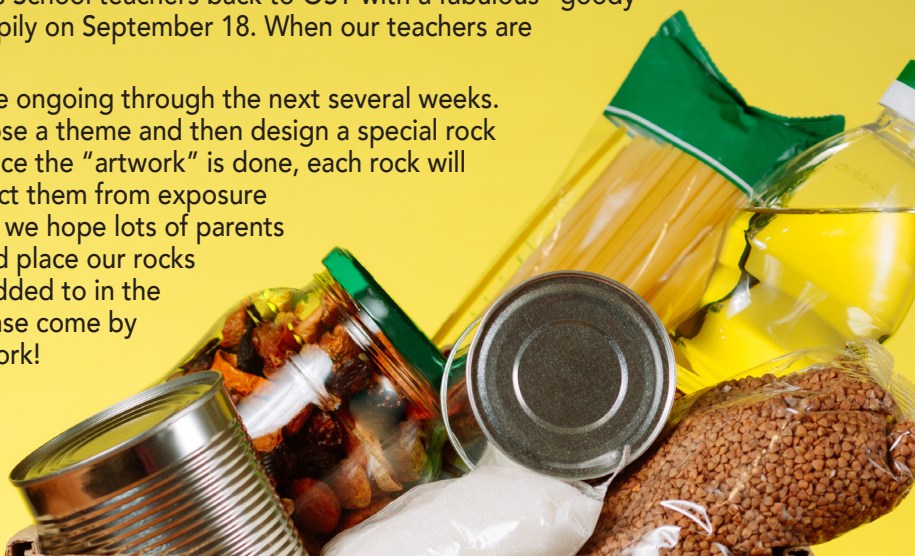

In late August, we welcomed our Religious School teachers back to OST with a fabulous "goody bag" to help them start the school year happily on September 18. When our teachers are happy, our children are happy!!

In October, we began a project that will be ongoing through the next several weeks. Each RS student had an opportunity to choose a theme and then design a special rock to be placed in our Atrium Rock Garden. Once the "artwork" is done, each rock will be sealed with an acrylic that will help protect them from exposure to the elements. On Sunday, December 4th, we hope lots of parents will join us as we "parade" to the Atrium and place our rocks as a permanent remembrance that can be added to in the future! If you can't join us that morning, please come by at your convenience and check out the artwork!

In November, we'll complete our project to benefit Jewish Family Services, our Thanksgiving Basket Drive. Each RS class is assigned a specific non-perishable food item to bring on Sundays, culminating in our 8th and 9th grade class assembling the "gift bags" for 20 families (on November 13)! On Monday, November 14th, the Mitzvah will be complete as we deliver the bags to JFS.

We are extremely proud of and grateful to our students and their families as they participate in this worthwhile and greatly appreciated program!

Watch this space in January as we continue performing Mitzvot on behalf of Roc Solid (playgrounds for children with cancer), CHKD, and Beth Sholom Village.

Additional information will also be found in *As The Temple Turns*, our weekly e-newsletter on Thursday mornings.

If you have ideas for mitzvah programs or want to volunteer to help, please feel free to reach out to our co-chairs!

# LIGHTING THE HANUKKIYAH

Light the shamash (helper candle) first, and use it to light the rest of the Chanukah candles. As you do, speak or sing the Chanukah blessings

Remember, the newest candle is always lit first. The candles are added to your hanukkiyah from right to left, but are lit from left to right. When celebrating Shabbat and Chanukah, kindle the Shabbat candles after lighting your menorah.

## DREIDEL, DREIDEL, DREIDEL...

- Any number of people can take part.
- Each player begins the game with an equal number of game pieces (about 10-15) such as pennies, nuts, chocolate chips, raisins, matchsticks, etc.
- At the beginning of each round, every participant puts one game piece into the center "pot." In addition, every time the pot is empty or has only one game piece left, every player should put one in the pot.
- Every time it's your turn, spin the dreidel once. Depending on the side it lands on, you give or get game pieces from the pot. For those who don't read Hebrew, some dreidels also feature a transliteration of each letter. If yours doesn't, use the photo above as a cheat sheet:
  - Nun means "nisht" or "nothing." The player does nothing.
  - Gimel means "gantz" or "everything." The player gets everything in the pot.
  - Hey means "halb" or "half." The player gets half of the pot. (If there is an odd number of pieces in the pot, the player takes half of the total plus one).
  - Shin (outside of Israel) means "shtel" or "put in." Peh (in Israel) also means "put in." The player adds a game piece to the pot.
- If you find that you have no game pieces left, you are either "out" or may ask a fellow player for a "loan."
- When one person has won everything, that round of the game is over!

# ENGAGEMENT

## A message about Engagement; A committee?

When John Cooper, president of our congregation, asked me to be on OST's Executive Committee as chair of Engagement, I was flattered, but also a little confused!

We already have an incredibly talented and effective Director of Engagement on staff, Nina Kruger. So what is my role exactly?

The Engagement Committee umbrella includes Membership, Caring/Outreach, Military Outreach, Mitzvah Days, EcoJudaism, Tzedakah Quilting, Shalom Greeters, Mitzvah Meals, and, to some extent, Soup Kitchen. Each of these groups has its own chair or co-chairs.

My role is to help coordinate and facilitate all those "sub-committees" as a way of engaging as many new and existing members of our congregation as possible.

I try to set an example by showing up, whenever and wherever I can, to support the efforts of the committee chairs, in addition to supporting Temple staff.

I encourage links between many of OST's multiple programs... our Sunday and Lifelong Learning community, Worship committee, Sisterhood and Men's Club, and most recently, by linking OST to the greater Tidewater Jewish Community as a member of the Jewish Community Relations Council.

I also encourage our Board members and various engagement chairs to support each other's efforts and to be attentive to the wants, needs, and preferences of our diverse, wonderful congregation.

We have incredible clergy who are amazing at leading, understanding, and inspiring us. I know they derive great happiness when they see our participation in acts of kindness and communal spirit.

As your volunteer leader in engagement, I would love to hear from you with any suggestions or ideas to improve or expand our efforts.

I look forward to seeing you in person or virtually at our upcoming Chanukah candle-lighting celebrations, or at any of our Jewish community events, soon!

Happy Thanksgiving and winter holiday season to all!

## KIDDUSH LUNCHEONS

The Worship Committee has been focused on developing programming that will enhance shabbat services. The Kiddush luncheon is one such activity in that it provides an opportunity to socialize with other congregants, engage in learning and enjoy a good meal. We have already had two successful Kiddush luncheons this year and have a few more scheduled that hopefully will generate interest and bring you to OST on shabbat morning.

**So save the dates for the following:**

**December 3** - presentation of quilts by OST Quilting group to two private non-profit housing programs. Original composition about quilting to be performed by Jeanne Zentz

**January 21** - Guest speaker Beco Lichtman in conjunction with MLK Day

**March 25** - Pre-Pesach Wine Tasting

**May 20** - Pre-Shavuot BYOB (blintzes) and cheese making demonstration

**Looking forward to seeing you at these Kiddush luncheons that should stimulate our  
palates, Jewish learning and be enjoyable as well.**

# COMPOST

Why is everyone talking about it?

**“Turn it and turn it, for everything is in it”**

These words by Ben Bag-Bag (first century c.e.) as cited in Pirkei Avot 5:26 - refer to the study of Torah but can also be applied to the composting process. Compost is composed of layers of decaying organic material. The turning of these layers results in a nutritious organic soil amendment that brings added nutrients to the plants and vegetables that are enriched with this mix.

Whether you are a seasoned or beginning gardener, everyone seems to be talking about compost. Compost is made up of three materials: the green layer (nitrogen and proteins), which is composed of grass clippings, coffee grounds, teas bags, vegetable and fruit scraps and eggshells, the brown layer (carbon) is composed of fall leaves, uncoated paper, cardboard, coffee filters and straw or hay, the third material is water.

The ingredients are layered and microorganisms break down the materials. Within a few days the pile heats up to about 160 degrees, the temperature that kills many weed seeds and harmful organisms. The pile is “turned” to give all the material a time to be in the center of the pile where the temperature is the highest. The final step is curing, when the temperature levels off. This assures that the most active stage of decomposition is complete. The finished product is dark and crumbly with a pleasant, hearty smell and is ready use as a soil amendment.

The gardens at our Temple use commercially available compost as a soil amendment. Listed below are some articles that provide more information. If you are interested in composting at home please feel free to contact Marc for more information.
